Carrollton City Schools
Attn: Craig George/SmartNet RFP
106 Trojan Drive
Carrollton, GA 30117

Exact part numbers and quantities are estimated for bidding purposes. Parts and quantities are subject to change after the bid award. Use of a brand name, trade name, make, model, manufacturer, or vendor catalog number in specifications is for the purpose of establishing a grade or quality of material only. It is not the intent to rule out other competition; therefore, the phrase "or equivalent" is added. However, if a product other than that specified is proposed, it is the vendor's responsibility to submit with the proposal brochures, samples, and/or detailed specifications on items proposed. Carrollton City Schools shall be the sole judge concerning the merits of the proposal submitted.

Proposal submissions

1. Provide a detailed Quote/Bill of Materials (BOM) with individual component costs.
2. Provide a list of any deviations from the specifications in this RFP. Otherwise, the bidder will be responsible for strictly adhering to specifications in the RFP.
3. Provide pricing for both 3yr and 5yr, 8x5xNBD SmartNet coverage for Cisco devices listed at the end of this document. The cost must include delivery, if applicable. Electronic delivery is acceptable. The vendor is responsible for the delivery of warranty only. The vendor is not responsible for installation, configuration, or any other support after successful delivery. SmartNet coverage directly from Cisco is required. Additional vendor services may also be included in submittal only to augment Cisco SmartNet coverage. Such cost from vendor or third party service options should be listed separately on submittal.

Proposals will be scored according to the following factors:
