This Charter for Carrollton City Schools ("Charter") is entered into by the Carrollton City Board of Education ("Local Board") and the State Board of Education ("State Board") (collectively referred to as "the parties").

WHEREAS, the Local Board approved the petition proposing to establish a charter system pursuant to O.C.G.A. § 20-2-2060 *et seq.*, the Charter Schools Act of 1998 ("Charter Schools Act");

WHEREAS, the State Board finds that the petition complies with the provisions of the Charter Schools Act, and the rules, regulations, policies and procedures promulgated in accordance with O.C.G.A. § 20-2-2063 and further finds that the petition is in the public interest and promotes school level governance; and,

WHEREAS, pursuant to O.C.G.A. § 20-2-2063.2, the State Board grants this Charter to permit the Local Board to establish a charter system as defined in O.C.G.A. § 20-2-2062 ("Charter System") in accordance with the terms and conditions of this Charter.

NOW THEREFORE, in consideration of the promises, mutual agreements, and covenants contained herein and other good and valuable consideration, the sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Definitions. The terms below will be interpreted in accordance with the following definitions, unless and until federal or state law, or the state accountability system, is amended otherwise:
  - a. Adequate Yearly Progress (AYP): Adequate Yearly Progress is a measurement based on a series of performance goals that every school, Local Educational Agency, and state must achieve within specified timeframes in order to meet the 100% proficiency goal established by the federal No Child Left Behind Act of 2001 ("NCLB"), subject to any amendment, waiver or reauthorization thereof.
  - b. Annual Measureable Objectives (AMOs): In defining Adequate Yearly Progress, each state sets the minimum levels of improvement, based on student performance on state standardized tests that school districts and schools must achieve within time frames specified in law in order to meet the 100% proficiency goal under No Child Left Behind. These levels of improvement are known as Annual Measurable Objectives, and they ensure that all student groups, schools, school districts, and the State as a whole reach the 100% proficiency goal by 2013-2014, subject to any amendment, waiver or reauthorization of NCLB.

- c. Elementary and Secondary Education Act as Amended (ESEA as Amended): The federal education statute, originally passed by the U.S. Congress in 1965, that defines the role of the federal government in public education and authorizes many of the major federal education programs, including Title I. This Act was reauthorized by Congress in 2001 as the No Child Left Behind Act.
- d. College and Career Ready Performance Index (CCRPI): A comprehensive school improvement, accountability, and communication platform for all educational stakeholders that will promote college and career readiness for all Georgia public school students. CCRPI currently replaces AYP.
- e. Criterion-Referenced Competency Tests (CRCT): The Criterion-Referenced Competency Tests are state-required tests to measure student acquisition of the knowledge and skills set forth in the state curriculum. Georgia law requires that these tests be administered to students in grades three through eight in the content areas of Reading, English/Language Arts, Mathematics, Science and Social Studies.
- f. End of Course Test (EOCT): The EOCT program was created to improve student achievement through effective instruction and assessment of the state curriculum standards in associated EOCT core high school courses. The EOCT program also helps to ensure that all Georgia students have access to a rigorous curriculum that meets high performance standards. The purpose of the EOCT is to provide diagnostic data that can be used to enhance the effectiveness of the schools' instructional programs.
- g. Georgia Department of Education (GaDOE or Department): The Georgia Department of Education is the state agency charged with the fiscal and administrative management of certain aspects of K – 12 public education, including the implementation of federal and state mandates. Such management is subject to supervision and oversight by the State Board of Education.
- h. Local Educational Agency (LEA): A Local Educational Agency is a local system pursuant to local board of education control and management.
- i. No Child Left Behind of 2001 (NCLB): No Child Left Behind is a reauthorization of the Elementary and Secondary Education Act (ESEA) of 1965 – the principal law affecting education from kindergarten through high

school. NCLB is designed to improve student achievement and close achievement gaps. States are required to develop challenging academic standards, to educate all students to 100 percent proficiency by 2014, and to create and implement a single, statewide accountability system. NCLB is subject to amendment, waiver or reauthorization.

- j. State Board of Education (SBOE or State Board): The State Board of Education is the constitutional authority which defines education policy for public K – 12 education agencies in Georgia.
  - k. State Performance Target: The state performance target is set using all students with the goal of decreasing the percentage of students who are not proficient by 50% by 2016-2017.
  - l. Subgroup: A Subgroup under No Child Left Behind is defined as one of the following subsets of students: race/ethnicity (American Indian/Alaskan native, Asian/Pacific Islander, Black, Hispanic, Multiracial, and White); disability; limited English proficiency (LEP); and socioeconomic status. To constitute a Subgroup in Georgia for a school's Adequate Yearly Progress determination, the Subgroup must have at least 40 students or constitute 10% of the assessed student population, whichever is greater, but not to exceed a total number of 75 students. The assessed student population is the total number of children whose test results are used to determine Adequate Yearly Progress.
  - m. Subgroup Performance Target: Individual subgroup performance targets set for each content area, statewide.
- 2. Charter Term. The State Board grants this Charter to the Local Board to operate a Charter System for a 6-year term beginning on July 1, 2014 and expiring on June 30, 2020.

### Appendix A

The State Board shall hold the Charter System accountable for the full performance of each of the academic goals listed below.

Goal 1: During each year of its first five-year charter term, the Charter System shall “beat the odds” as determined by a formula measuring expected student growth.

1. The Beating the Odds analysis is a cross-sectional, fixed effects regression model that uses the following factors from the CCRPI school-level dataset, GaDOE student record file, and GaDOE CPI<sup>1</sup> data.

- a. Student-based Factors:

- % African American
- % Hispanic
- % White
- % Other
- % Free/Reduced Lunch
- % Students with Disabilities
- % English Learners
- % Gifted

- b. School-based Factors:

- School Size (FTE)
- Student/Teacher Ratio
- School Configuration/CCRPI Score Type (i.e. Elementary, Middle, High)
- Locale Type (i.e. City, Town, Rural)
- District Performance (Fixed Effect)

Renewal decisions for new charter systems first converting in 2014 or later will be based in part on whether the system “beat the odds” in each of the first four years of its first charter term (Years 1-4).

Goal 2: During each year of its first five-year charter term, each System Charter School shall “beat the odds” as determined by a formula measuring expected student growth. If each System Charter School fails to beat the odds in Year 1 of the charter, the Charter System shall decrease

the number of System Charter Schools not beating the odds during Years 2 and 3 at a rate so that all System Charter Schools will beat the odds in Year 4.

Renewal decisions for new charter systems first converting in 2014 or later will be based in part on whether each System Charter School “beat the odds” in each of the first four years of its first charter term (Years 1-4).

Goal 3: The Charter System will demonstrate proficiency and/or improvement on the CCRPI.

1. Measure 1: For new Charter Systems first converting in 2014 or later, using Year 1 of the charter term to establish a CCRPI baseline, the Charter System’s CCRPI score shall be equal to or better than the State in Year 2, and better than the State in Years 3-5 of the charter contract.
2. Measure 2: If the Charter System’s first-year CCRPI score is lower than the State, the Charter System shall have until the end of Year 2 of the charter term to close the gap between the Charter System and the State.
3. Measure 3: In Years 3-5 of the charter term, the Charter System’s CCRPI score shall be better than the State.

Renewal decisions for new Charter Systems first converting in 2014 or later will be based in part on whether the Charter System’s CCRPI score was equal to or better than the State in Year 2, and better than the State Years 3-4 of the charter contract.

The State Board shall hold the Charter System accountable for the full performance of each of the operational goals listed below.

Goal 1: Promote a positive school experience by providing a safe school environment.

Measure 1: According to data reported by the Governor’s Office of Student Achievement Report Card, from a baseline established in Year 1 of the charter term, the Charter System shall decrease the percentage of students absent 15 days or more by at least 1% each year.

Measure 2: From a baseline established in Year 1 of the charter term (2013-2014), the charter system will increase parent satisfaction annually by 5% as measured on the annual parent perception survey until parent satisfaction measures 90% at which time the Charter System shall maintain the 90% satisfaction rate.

Measure 3: From a baseline established in Year 1 (2013-2014) the Charter System will increase parent participation annually by 5% up to 90% at which time the Charter System shall maintain the 90% participation rate.

Goal 2: The Charter System will be economically sustainable.

Measure 1: Each year, the charter system will operate in a fiscally sound manner as measured by an external audit.

Measure 2: Actual and proposed budgets for each school year will demonstrate effective allocation of resources.

Measure 3: Yearly balance sheets will demonstrate that the charter system maintains adequate cash reserves.

Measure 4: The charter system will meet all Generally Accepted Governmental Accounting Standards (GAGAS) as demonstrated by external, annual audit reports.

Goal 3: The Charter System will foster individual school-level governance.

Measure 1: All School Governing Teams will undergo annual governance training.

Measure 2: All School Governing Teams will meet a minimum of six times during the school year.

Measure 3: All School Governing Teams will have representation from a variety of stakeholders, such as teachers, parents and community leaders.
